

# CHANGING NAPPIES?

## Join HERTS Reusable Nappy Scheme

In Herts alone we create 15,800 tonnes of disposable nappy waste costing £1.7 million to throw away each year.

Hertfordshire residents can apply for

**15% off**  
with selected suppliers

**HERTS**  
Reusable  
Nappies

### Reusable nappies are:

- easy to use
- comfortable on little bottoms
- able to reduce your family's carbon footprint
- up to £1,000 cheaper than buying disposables

Let us support you through your first steps

Make them work for you.

Just one reusable a day saves around 1,000 disposables between birth and potty training.
